# *Twins' Mothers Club of Bergen County*

## **2004 Annual Charity Event**

The Twins' Mothers Club of Bergen County (TMC of BC) is sponsoring its 47th Annual Charity Event, "*Broadway Bound*." The beneficiary of the evening's raffles is **The Neonatal Intensive Care Unit at The Valley Hospital** in Ridgewood, NJ.

When: May 5, 2004 at 6:30pm

Where: Seasons, 644 Pascack Rd,  
Washington Township, NJ

Admission: \$40 per person

Contact: Peg at (201) 666-3695 or [charitytickets@tmcofbc.com](mailto:charitytickets@tmcofbc.com).

*The Mark Infield Orchestra* will provide the evening's entertainment, playing Broadway show tunes. TMC of BC will raffle off an impressive array of prizes to raise funds for the Valley Hospital NICU. Attendees will enjoy hors d'oeuvres and a four-course dinner.

Each year, the President of TMC of BC has the privilege of choosing the Charity recipient. The current President of TMC of BC, Chris Brown, says, "Many of our members' babies spent time in the Valley Hospital NICU, and I know that they are grateful to the caring staff there. I am delighted that we will be able to help other families receive the same excellent care that our members' families enjoyed." The Twins' Mothers Club of Bergen County is honored to support the hospital's goals in providing the highest quality care to these special infants and their families.

---

The state of New Jersey has given the Valley Hospital's Neonatal Intensive Care Unit the highest designation possible for a community hospital. They are fully equipped to care for infants with unexpected problems. This level of care includes experienced Neonatologists, one-to-one nursing care when necessary and specially trained neonatal R.N.'s and Social Workers. While caring for these special infants who are born premature or who are acutely ill, their staff supports the family with special classes and involves parents in caring for the new life.

The Twins' Mothers Club of Bergen County, Inc. is a non-profit 501(c)(3) organization, founded in 1950. It provides service and support to the community, and hosts an Event each year to benefit a children's charity. TMC of BC also offers a wide variety of activities and services for mothers of multiples. Members find support and information at our monthly meetings, and enjoy friendship and fellowship with moms in similar situations.
